## SURVIVOR’S BACKGROUND

**Elizabeth Scott Wise,  
Founder/Executive Director Cancer  
Concierge Network**

Elizabeth was diagnosed in 2002 & 2007 with Invasive Carcinoma Breast Cancer. With a double mastectomy, several reconstruction surgeries, 6 rounds of chemotherapy, 21 lymphnodes removed from her right arm (lymphdenectomy), chemo ports in her arm and chest, 35 radiation treatments and total of 6 years of breast cancer medicines, she continues to detoxify her mind, body & spirit through holistic modalities.

She found supplementing her current accepted treatments with holistic healing therapies, nutrition, herbs and having hope and trust in her savior Jesus, has lead her down a path to acceptance, remission of her Cancer and return to wholeness. Her journey inspired her to found Cancer Concierge Network and CCN Wellness Center so that others could find their Pathway to Wellness.

Elizabeth pays it forward with CCN’s mission to guide, educate and refer others to holistic pathways for health and wellness. Cancer Concierge Network is a 501(c)3 nonprofit in order to accept directed donations for families, friends, coworkers and/or others in need.
