

## Cancer Concierge Network's Wellness Center

According to founder and Chief Executive Officer Elizabeth Wise, Cancer Concierge Network's ("CCN") Wellness Center is a 501(c)(3) that accepts directed donations, offers a monthly free "Victory" retreat and a wellness plan that provides guidance, education and refers those in search of health and wellness to mind, body and spirit holistic treatments before, during and after a health issue occurs. CCN, which opened late last year, offers a company wellness plan and a "Pathway to Wellness" membership, she said. CCN's first fundraiser for wellness grants for those in need is "The Survivor's Fashion Show" in Hollywood on June 25. The new Long Beach Holistic Chamber of Commerce will be doing the ribbon cutting at CCN's grand opening scheduled for 10 a.m. on July 25 and will be the Holistic Chamber's Business of the Month.
